

## Attention Federal Employees - Relief is Here!

*Mesquite, Texas on October 29, 2025* – Due to the ongoing government shutdown, many of our friends, neighbors, and community members who serve as federal employees are facing unexpected financial hardship. To help support those impacted, we've created a **special ePantry** stocked with essential items—available exclusively to federal employees affected by the shutdown.

We're here to make sure no one in our community goes without the basics during this difficult time.

Please note: This inventory is specifically for federal employees and will change daily. Produce and bread will be available at pickup due to the shorter shelf life. Orders can be made up to 2 days ahead. Right now pickup is scheduled for the next day, but once we get a good rhythm our goal is to shorten this to same-day picks.

### To place orders:

1. **Email** → [EPantry@Sharing.Life](mailto:EPantry@Sharing.Life)
2. **Include** → **Proof of Federal Employment**
3. **Registration** → **You will receive an email that will prompt you to register and schedule your EPantry pick up.**

We remain committed to providing relief and stability to those impacted by the shutdown. Sharing Life will continue to monitor needs and adjust services to ensure every eligible federal employee has access to essential resources during this challenging time.
